

# Samir Chaulagain

ONLINE MARKETER

## Profile

I am an enthusiastic Online Marketer with expertise in social media marketing, content creation, and Search Engine Optimization. With additional skills in HTML, CSS, and basic JavaScript, I aim to use my creative abilities to drive successful digital marketing campaigns and help companies achieve their goals.

## Education

- **Wizonbiz Digital**  
Online Marketing Skill  
2024
- **Aadim National College**  
Completed grade 12  
Management Computer Science  
2022-2024

## My Projects

- **#1 Ranking of WEBSITE**  
First, I created my personal website (Portfolio). Then, I optimized it with proper keywords, SEO techniques, and linking strategies. Now, it ranks #1 in SERP under the name Samir Portfolio.
- **SEO Study of Local Website**  
Since I did not have a real client, I visited random local websites to find keywords and optimization strategies they could use. This involved keyword research, on-page SEO analysis, and suggesting improvements for better rankings.
